RE: Mammoet USA South route request
Shoshone County, Idaho
Old Highway 10 from I-90 Exit 45 to I-90 Exit 48

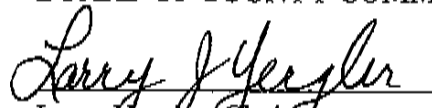

Dear Chip,

Shoshone County has reviewed your request for Mammoet USA South to transport the three (3) sections of a Hydrocracker through our County along Old Highway 10 from the I-90 Pinehurst East bound off ramp to the I-90 Smelterville East bound on ramp. Shoshone County accepts your proposal as long as all traffic control is taken care of by Mammoet USA for a two-lane roadway and does not hinder any traffic. Shoshone County will be prepared for the transport vehicles.

Please inform us immediately if there are any changes to the plan, including the travel date and times. We look forward to a safe and success trip through our Silver Valley. If you have any questions please don't hesitate to contact us.

Respectfully,

BOARD OF COUNTY COMMISSIONERS

Larry Yergler, Chairman
